FISCAL NOTE

SB 2814 - HB 2894

February 5, 2010

SUMMARY OF BILL: Authorizes utility districts to enforce payment of fees charged for garbage collection and disposal services by the same methods used for the enforcement of unpaid taxes, including placing a lien on the property.

ESTIMATED FISCAL IMPACT:

Increase Local Revenue – Exceeds \$10,000/Permissive

Assumption:

- Local government utility districts that choose to place a lien on a property for unpaid garbage collection fees may experience a permissive increase in revenue when the property is sold and the lien is paid. This permissive increase is reasonably estimated to exceed \$10,000.
